HOTEL HOUSTON

When brides strolled into the I Do! Bridal Soiree at the Royal Sonesta Hotel Houston on Sunday, Jan. 26, they found themselves surrounded by design beauty, floral bounty and unparalleled planning expertise—everything they could want to create an unforgettable wedding. With Champagne cocktails in hand, and their entourages in tow, brides wandered through magnificent tablescapes, met with top wedding professionals, and swooned over our spectacular I Do! Bridal Soiree runway extravaganza, featuring 2014's most coveted designer bridal gowns and accessories. Our thanks to the wonderful Royal Sonesta Hotel, with special thanks to director of special events Ted Cwikowski for helping bring our I Do! vision to life. We're equally grateful to Lenny Matuszewski for producing, Darryl & Co. for designing and decorating, and Bright Star Productions for illuminating, our signature runway show; A Memorable Event, Linens by Lisa and EB Inc Events for dressing up our chairs with lovely linens; Jonny Black Productions for emceeing this gorgeous event; Ama Photography & Cinema for capturing the magic in images; and A&A Photo and Video for filming our soiree.
